

Columbarium

There are pre-burial record forms in the office for a spot in the Columbarium. For members of The First Presbyterian, in good standing as defined by The Book Of Order, burial will be at no cost,, except for the purchase of the bronze plate containing name and dates which will be affixed to the bronze plaque in the Columbarium area. These plates are purchased from Mashon-Dorsey Memorials, 517-278-4028

For all others, we ask a gift of no less than \$200.00. This will cover the opening and closing of the Columbarium and maintenance of the park.

There is no method on what side of the memorial monument plaque goes other than:

1. If spouse's name is on memorial monument, save a space below for identified spouses.
2. Alternate sides on memorial monument so as to keep even going down the monument.

When the additional plate spot needs to be saved for surviving spouse, the paper work is in the office file cabinet and will indicate up in the right corner appropriate placement instruction.

Ashes can go in any one of the three benches.
